#### ***TYMAI-3 TOOLS OF THE TRADE***

##### ***TYMA05 Bronze Claw of House Jalt***

You have gained favor with Tuanek of House Jalt for your efforts on behalf of Ruinspoke. As a token of his appreciation, the dragonborn lord has given you a finely worked bronze charm, resembling a dragonborn claw, engraved with "Jalt" on its outer surface. This charm can be worn on a necklace or a bracelet if you so choose.

This favor grants you some small measure of notoriety in Ruinspoke and the surrounding area. Dragonborn of House Jalt who see the necklace will regard you in a more positive light. If you garner additional Recognitions of House Jalt, then the amount of influence you receive will increase. You might even receive an introduction to the Lance Defenders or the Platinum Cadre.

##### ***TYMA06 Thanks of an Unknown Entity***

For your service, however unintentional it might have been, you have earned the gratitude of an unknown entity in the village of Ruinspoke. You do not currently know why this entity wanted to arrange matters the way it did. One certainly has to wonder about the motives and methods of such a person. This story object may mean something at some unspecified point in the future (or perhaps not). The entity might return the favor and aid you at some point (or it might just try to set you up to do some more of its dirty work). If nothing else, you have been manipulated, and even if the outcome was beneficial, uncovering the truth about these matters represents another mystery for you to solve.

This story object is the beginning of a Major Quest that will be continued in future Tymanther regional adventures.
