ADVENTURES ON TÉKUMEL GARDÁSIYAL

M.A.R. BARKER & NEIL R. CAULEY

M.A.R. Barker began developing the world of Tékumel almost fifty years ago.

He has lived in India, Pakistan and other countries and been a professor at a major American university.

This box contains the third rôle-playing game based on Tékumel since 1975. What you now hold is a complete, complex, alien and thoroughly enjoyable fantasy world.

There are many fine supplementary products for Tékumel available from Theatre of the Mind (TOME) to enhance your gaming experience.
