

Alternative bases, for use with tri-fold figure flats, for 2-sided rather than prism assembly. The white arrow indicates facing.

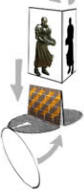

Figure base designs by T. Jordan "Greywolf" Peacock.

For links to some free figure flats to use with these bases, check out <http://greywolf.critter.net/figureflats.htm>.

Or, you can find several RPG settings supported with sets of "figure flats" at such sites as <http://www.penguin.com> and <http://www.triplecegames.com>.
