- Vast metropolises, colonies, city-states, cities and towns of all shapes and sizes! No matter if you're looking for an isolated country town or a huge, thriving city, it exists here.
- Nonhuman cities! Visit an elven city of the deep forest, a mountainous dwarven citadel, the religious and political capitals of a hobgoblin empire, and more!
- Open-ended city construction! Each city functions as a blank template for a GM's campaign, or a cartographer's rendering for player handouts!
