With this chart you can quickly determine the height & weight for human PCs and NPCs. This chart utilizes the Metric system of measurement. If you prefer to use English measurements use **FGM031fe: d30 Elven Height & Weight Table**.

Using these tables: Roll 2d30 to determine the height & weight of an Elf. The first roll determines the height which you cross-reference with the second roll to determine the Elf's weight.

Optional Adjustments for Gender: Roll 1d30-3 for both height and weight (i.e. -3 to both rolls)
