

"...exquisitely simple and bursting with similitude..." - Steve Darlington, RPG.net

InSpectres is the nation's first fully-licensed and insured  
SUPERNATURAL INVESTIGATION & ELIMINATION SERVICE.

Our skilled agents are handpicked for their physical prowess,  
academic achievement and technical aptitude. They are the elite –  
the best of the best.

So if it's ghosts or goblins, spooks, bogies or bumps in the night,  
you can rest easy knowing that our trained staff is on the case.

We offer:

- Fast response time - an agent can be at your door in less than 30 minutes!\*
- Confidentiality - because your business is your own!
- Cutting-edge technology - those pesky poltergeists won't know what hit 'em!
- Group discounts and installment plans - convenient *and* frugal!
- Gift cards - they make great gifts for new home buyers!

"Because it's not just a vampiric infestation... vampiric infestation!"
