

OOPS !

We goofed on the magic spells. When you read over the Character Record Cards, you will find that there are spells listed that do not appear on the Magic Spells Table. These spells are for an advanced version of the Masters Of The Universe Game and are not used in this game.

The Masters Of The Universe Advanced Role-Playing Game should be released in the fall of 1986. To make sure you are informed of the release of this game, just fill out the form below and mail it to us. You will receive a catalog of FASA products now, and when the advanced game is ready, a letter informing you it is available.
