

IS PB #3: German Armored Counterattack on a Russian Armored Spearhead

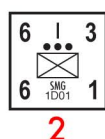

Battle of Targul Fumos (May 2, 1944): The Russian 2nd Ukrainian Front invaded Romania in April-May, 1944 to capture the oil fields at Ploesti and deprive Germany of a primary fuel source to hasten the end of World War II. The Russian 5th Guards Tank Army spearheaded the assault with several tank corps and new weapons to punch through the German Army Group Wohler's 57th Panzer Corps, only to encounter the battered but still very elite Panzergrenadier Division Grossdeutschland.
