

PanzerBlitz Situation #18

COMBINED RUSSIAN OFFENSIVE: SOMEWHERE IN RUSSIA (1944). A theoretical situation. Two heavily reinforced rifle regiments and an independent tank brigade take on a German infantry regiment. An illustration of problems of unit boundaries — and of the infantry support capabilities of certain German armored vehicles.

Map Configuration

Soviet forces may not cross from one board to another (e.g., from board 1 to board 2, etc.). They may, however, fire from one board to another.

Russians set up first east of Route 61.
