This product takes the dungeon map from **Purple Mountain IV: The Magmadome** (by *Purple Duck Games*) and re-sizes it so that it may be printed out at a scale suitable for use with miniatures (i.e. 1 square = 1 inch). However, please note that this product is not intended to be a set of high-resolution dungeon tiles (as there are far better options already available from other sources for that kind of thing), but is rather a simple and effective way of transforming the relevant map from the Purple Mountain mega-dungeon into an impromptu battlemat.
