This product takes all of the dungeon maps from **Purple Mountain V: The Descent** (*by Purple Duck Games*) and re-sizes them so that they may be printed out at a scale suitable for use with miniatures (i.e. 1 square = 1 inch). However, due to the complexity (and multi-level nature) of **The Descent**, it has been necessary to provide separate battle-maps for each area/level of the dungeon - a breakdown of which is depicted below:

Important Note: This product is not intended to be a set of high-resolution dungeon tiles (as there are far better options already available from other sources for that kind of thing), but is rather a simple and effective way of transforming the relevant map from the Purple Mountain mega-dungeon into an impromptu battlemat.
