This product takes both dungeon maps from **Purple Mountain VI: The Well of Stars** (by Purple Duck Games) and re-sizes them so that they may be printed out at a scale suitable for use with miniatures (i.e. 1 square = 1 inch). However, please note that this product is not intended to be a set of high-resolution dungeon tiles (as there are far better options already available from other sources for that kind of thing), but is rather a simple and effective way of transforming the relevant maps from the Purple Mountain mega-dungeon into impromptu battlemats.
