THASSILON

THE RUNELORDS RISE AGAIN!

From humble beginnings in a quiet coastal town, the Return of the Runelords Adventure Path travels to ruined capital cities and explores the mysteries of ancient Thassilon. With the *Return of the Runelords Poster Map Folio*, you can bring two of these cities to life with a pair of massive poster maps, and also discover the lost wonders of the nation of Thassilon itself!

These huge, lavishly illustrated poster maps depict two important urban centers from the Return of the Runelords Adventure Path. The first map details the settlement of Roderic's Cove, where the Adventure Path starts. The second map explores a mysterious ancient city, while the third is a beautifully illustrated map of the ancient nation of Thassilon as a whole.

Whether you're looking for a small seaside town, a sprawling urban center, or an entire nation, these beautiful maps are the perfect resource for the Return of the Runelords Adventure Path or any fantasy campaign.
