LANDS THE DEAD SEEK TO CLAIM!

Explore lands of valor and mystery with the *Tyrant's Grasp Poster Map Folio*. Pore over masterful cartography and plan exciting adventures with these three massive poster maps designed for use with the Tyrant's Grasp Adventure Path but useful for explorations across the world.

These huge, lavishly illustrated poster maps depict key locations and nations in the Tyrant's Grasp Adventure Path. The first map details the walled crusader city of Vigil, which has stood against the tyranny of evil for generations. The second map presents the nation of Xopatl, a land of wonders on the distant continent of Arcadia. The third is a beautifully illustrated map of the besieged nation of Lastwall.

Whether you're looking for a fortified city, lands of intrigue a half a world away, or a nation for crusading knights, these beautiful maps are the perfect resource for the Tyrant's Grasp Adventure Path or any fantasy campaign.
