

# CONTINUUM

## What Is The Suzerain Continuum?

Choose a place, a cave, a town, a far-flung planet. Whatever suits your mood. Now choose a time, when dinosaurs roamed the Earth, when aliens invaded our star sector, when man discovered his psychic potential. Once again, anything goes. Now choose a genre, from horror to swashbuckling, steampunk to sci-fi, fantasy to fairytale... even crossovers of those. Where your place, time and genre intersect, that's Suzerain. Try it again tomorrow when you're in a different mood and that's still Suzerain.

The Suzerain Continuum: an interconnected series of realities and realms over which a multitude of cosmic forces attempt to exert control and influence.
