TOMB OF THE  
 LICH QUEEN   
ENCOUNTER CARDS

## DISCLAIMER

Our legal department requires we add this: Repeat after us, "I am not my character. I cannot do the things that my character can do because he is a fictional character in a fictional universe." In other words, do not do anything that might be dangerous to yourself or others. Roleplaying is meant to be fun.

We'd also like to explain that Suzerain is our take on reality with mythological and magical elements. It depicts religions and mythologies with a twist – that is to say, differently than a true believer might see them. We mean no disrespect if you are such a believer but ask you to respect our right to our own interpretation.
