**F**rom worlds of swords-and-sorcery to libertine space colonies, a lot can happen in a brothel. Intrigue, romance, murder, and all extremes of pleasure and disappointment wait behind the green door and under the red lanterns of seedy fleshpots and high-class seraglios. If you want to bring a little exoticism, eroticism, and bawdy fun into your campaign, you go straight to the brothel. But who has the time to invent an all-new house of ill repute every time the adventurers stagger into town, heavy with coin and flushed with blood? Lucky for you, the Jester Dragon has brothels on the brain. So get out your dice and let the sweaty hand of fate create the brothel your campaign needs!

### Table 3-1: Brothel Name Generator

A brothel's name can be suggestive of quality and sophistication and of the pleasures awaiting within. Roll on the table below to create your brothel's name. For a short, evocative name, roll on the third column only. For a more lively label, roll on the first and third or second and third columns. And for a name as descriptively dirty as it is long, roll on all three.

**Note:** Rolling on the first and second columns of the Brothel Name Generator is a great way to roll up names for seedy taverns, dance halls, nightclubs, and strip joints.

### Table 3-2: Clientele Base

When it comes to brothels, certain people are looking for certain things. Roll on the table below to determine who typically patronizes the brothel and who works there. This table can also be used to randomly determine character sexuality.

d100	Clients	Seeking	Interest
01–12	Men		Women
13–24	Men		Women
25–36	Men		Women
37–48	Men		Women
49–60	Men		Men
61–72	Women		Men and/or Women
73–84	Men and/or Women		Someone to Talk To
85–99	Couples		Futanari/Hermaphrodites/Transsexuals
00	Groups		Anything Goes (e.g., Tentacled Horrors)

### Table 3-3: Brothel Quality

Some brothels are better than others. Roll once on the table below to determine brothel quality. Brothel quality determines the risk of being exposed to a sexually transmitted disease during a sexual *encounter*, as well as the number of rules customers are expected to observe (see **Table 3-4: Rules of the House**).

d100	Quality	Chance of STD	Rules
01–20	Seedy	30%	1
21–40	Trashy	20%	2
41–60	Tawdry	10%	3
61–80	Tasteful	5%	4
81–00	Classy	1%	5

### Table 3-4: Rules of the House

Every professional has standards and every business has policies. Brothels are no exception. Roll on the table below to determine what kind of behavior the brothel will not allow. Violating the code of conduct may require a roll on **Table 3-5: Punishment** as well. Roll on the table below as number of times as indicated by **Table 3-3: Brothel Quality**. The classier the establishment the more rules it has.

d100	No ...
01–06	Backtalk
07–12	Drinking
13–18	Dueling
19–24	Gifts
25–30	Glove No Love
31–36	Outside Food and Drink
37–42	Peeking
43–48	Sampling the Merchandise
49–54	Smoking

91–96	Strict (roll twice)
97–00	Really Strict (roll thrice)

### Table 3–5: Crime and Punishment

Things can get pretty wild in a bawdy house, but there is no excuse for breaking the rules. If a character violates the policies of the establishment (see **Table 3–4: Rules of the House**), disrespects or endangers the employees, management, or owners, or otherwise makes trouble, roll on the table below to determine their punishment. Add 10 the result for each past offense.

d100	Consequence
01–10	A Spanking! A Spanking!
11–20	Verbal Warning
21–30	Stern Talking To
31–40	Make a Public Apology

121–140	Denied Service at All Brothels in the Area
141+	Left Bleeding Out in a Back Alley

### Table 3–6: Front Business

In communities where prostitution is illegal, or at least unseemly enough to be kept out of the public eye, brothels operate behind the façade of legitimate businesses or social institutions. If your brothel needs a front, roll on the table below.

d100	Front

06–10	Bakery
11–15	Baths

86–90	Temple
91–95	Textile Mill
96–00	Warehouse

### Table 3–7: Brothel Infiltration

In any thrilling campaign nothing is quite what it seems, and brothels have a habit of being secretly infiltrated and taken over by all manner of clandestine organizations and malign forces. Roll on the table below to determine who or what is pulling strings behind the silken curtain.

01–05	Assassins Guild
06–10	Cannibal Cult

91–95	A More Hedonistic Brothel
	(roll up another brothel where anything goes and no desire goes unsated)
96–00	Roll Twice and Combine Results

### Table 3–8: Random STDs

No matter how safe you try to make sex, there is always the risk that something goes around when you come around. If a hero gets careless, the cleric did not obligingly cast *Cure Disease*, or someone's number came up on **Table 3–3: Brothel Quality**, roll twice on the table below to create a sexually transmitted disease. To enhance the results, roll on your hit location table of choice to determine where the symptoms manifest, or just name an appropriate and embarrassing body part.

d100	Descriptor	Symptom
01–10	Bleeding	Buboes
11–20	Burning	Boils
21–30	Crusting	Fever

81–90	Shriveling	Trots
91–00	Swelling	Warts

### Table 3–9: Signature Move Generator

All professionals have a signature move, an act so satisfying and so memorable clients keep coming back for more, and every client has that one thing they are always trying to find someone to do (or have done to them). Roll on the table below to create the name of a prostitute’s signature move.

d100	First Part	Second Part	Third Part
01–05	Automatic	Apple	Dance

### Table 3-II: Random Items

When you're caught with your pants down you can't count on your weapon of choice being within arm's reach. Likewise, when you go rutting through cabinets looking for something useful, what you find might not be the right tool for the job. Roll on the table below when a character reaches for an improvised weapon, goes snooping, or otherwise wants to know "What's in here?" Keep in mind there is a 30% chance that any item on this list is sticky, slimy, or otherwise "used."

The Jester Dragon is pleased to present the most versatile and useful table you have ever seen. Use this random fetish generator to add flavor to characters, determine the specialties of brothels, sex cults, and individual prostitutes, and randomly determine the turn-ons and turn-offs of NPCs. Imagine the fun you'll have when you roll up a fetish someone at the table doesn't know, leading to nervous laughter, potentially embarrassing internet searches, and disgusted glances!
