

How To Play:

When **Acting** or **Reacting**, determine the **Difficulty** & **Stakes** then roll **1D20** + Stat vs. **Difficulty**. On a failed roll mark **1 Grit** and face the music.

Also Roll 1D6

- = **Standard Outcome**
- = Gain a **Benefit**

When a **Cost** is rolled raise the Heat Level +1. **Higher Heat** = more severe **Costs**. Roll on **Costs & Benefits** table when consequence is unclear.

Gumption:

Start with **6 Max Gumption**.
Reduce when you **Suffer Harm**.
At 0 Gumption you are **Taken Out**.

Space Masters: Start mission in the middle of the action. Adjust a roll's **Difficulty** dynamically based on character actions. As the **Heat** rises **Stakes** get bigger & **Costs** get worse. And just when they think they've got it... reveal The Snag!

Completing Missions:

Choose one reward

- Increase Max Gumption by +1
- Attempt to **Enhance** a Stat by dictating what you do to train it then roll 1D6. If result is over current Stat enhance +1.
