Captain

**Star Fleet**  
Lieutenant Commander O-4

**National Guard (Space)**  
Lieutenant Commander O-4

**Marine or National Guard (Ground)**  
Major

Naval officers use the upper "stripes" rank on sleeves or on epaulettes (if the style of uniform requires) and the lower "pip" rank on collars of casual duty uniforms. National Guard (Space) officers use silver rather than gold insignia. Star Fleet Marine and National Guard (Ground) officers use the designated insignia. Naval officers assigned to ground units will often use ground forces insignia for convenience, but Marine and ground forces officers never use fleet insignia.
