LIEUTENANT

T2 FIRST
LIEUTENANT
(Medical)

Klingon Marine office rank insignia follows the standard pattern, but with green bars instead of the steel gray of the Fleet or the brown of the Army.

Specialist officers have the lowest bar yellow with a small device indicating their branch, but all Marines are qualified for Marine combat operations before becoming specialists and thus retain the green bars.

Non-warrior support specialists serving with the Marines wear Fleet warrant officer insignia (yellow bars, with the white disks of civilians).
