Debt to Nirama

The Price of Business

owes a debt to Nirama, Crimelord in the Cularin System

The repayment of this debt will be commensurate with the trouble the hero caused Nirama in contributing to the loss of his pilot, Arraxx, in the races on Eskaron.

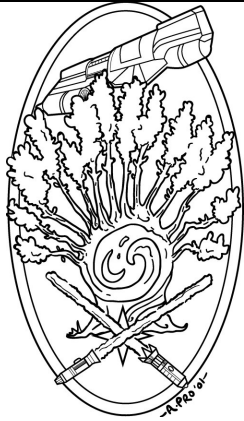

Trouble scale (1 = no trouble at all – went out of way to help and 10= shoot this idiot next time I see him/her/it)
1 ... 2 ... 3 ... 4 ... 5 ... 6 ... 7 ... 8 ... 9 ... 10

Favor from Teeloo

The Price of Business

has earned the gratitude of the Rodian Teeloo

In-system [] [] [] **OR** System to System []

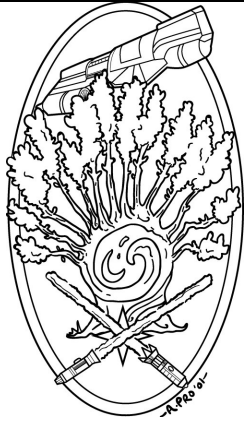

Teeloo is grateful for your help. If you ever need a ship to get from one point to another within the Cularin system or from the Cularin system to another system, give him a call (Three Uses for intra-system travel or Single Use for system to system travel). It will usually take Teeloo six hours to finish his current business and get to you. Roll 1d10, on a 1 or 2 he is tied up with a job for Nirama and cannot get away for at least 24 hours.
