# INTRODUCTION

Welcome to ***Mutants & Masterminds Character Stand-Ups***, a pack of 60 full-color character stand-ups that can be printed out and used today in your ***Mutants & Masterminds*** game. Use these stand-ups during combat situations to help track the battle's progress, moving the stand-ups to show the other players where your character is at during a fight.

The stand-ups in this pack represent the heroic and villainous archetypes found in the ***Mutants & Masterminds Second Edition*** rule book as well as the heroic archetypes found in ***Archetype Archive 1, 2, and 3***.

## Assembly

Print page 3 -8 on cardstock. Solid lines indicate cut lines, dotted lines indicate fold lines. Slot the base of each stand-up together and secure with tape or glue. A small weight, such as a penny, can be taped to the base to make the piece more stable.

For more stand-ups see [www.mutantsandmasterminds.com](http://www.mutantsandmasterminds.com).
