

<h2>MISSING PIECES</h2> <p>Image shows a man standing next to a child at the beach. Only the image is cut like a jigsaw puzzle and there's a piece missing where the child's face and the man's heart should be. Another missing piece conceals the identity of the location. A third shadow hints that another person may have been cut out of the picture.</p> <p><b>MOTIVATION CARD</b></p>	<h2>MISUNDERSTOOD MAESTRO</h2> <p>An unseen painting is observed by several figures. The raven blathers on, chatting about who knows what. The mouse quietly sips at his lemonade, obviously interested in something else.</p> <p>The raven is preparing to cheat at the game, switching the dice.</p> <p><b>MOTIVATION CARD</b></p>	<h2>CAST OUT</h2> <p>In the foreground we have a young woman crying, her face buried in her hands. Growing naturally from her back is a set of colorful butterfly wings.</p> <p>In the background are three mean-looking goths. Each looks defiant and each makes a different dismissive gesture to the foreground girl.</p> <p><b>MOTIVATION CARD</b></p>

The spears pierce her heart, her womb, and her head.</p> <p>Her hand loosely holds the spear in her heart.</p> <p><b>MOTIVATION CARD</b></p>	<h2>MARTYR</h2> <p>Father holds up newborn over his head, looking up at it with awe.
