

DARING TALES OF THE SPRAWL

The following paper figures are provided to represent the pregenerated heroes for the *Daring Tales of the Sprawl* adventures from Triple Ace Games. Print this sheet off (preferably onto light cardstock, though regular copy paper will do), cut out the figures, and assemble them by folding and gluing the tab inside. Since the adventures are inspecific about the gender of the heroes, male and female alternatives are provided.

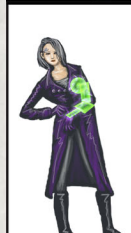

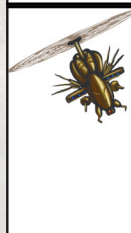

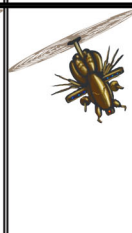

Male Hero Versions

			Silver, Street Samurai
			Jet, Drone Driver
			Hammer, Street Samurai
			Cutter, Street Hacker
			Light Drone (Car)
			Armored Attack Drone (Car)

Sample Tri-Fold Assembly
