

REFERENCE SHEETS

This section of the Epic rules includes reference sheets for each or the armies covered in the rulebook, plus a playsheet that groups all of the game tables together into one place. Although not really a substitute for the full rules or datasheets, experienced players will be able to get by with just the reference sheets ninety-nine percent of the time. Should you find a discrepancy between the reference sheet and the rules, then the rules always take precedence. The following abbreviations are used on the reference sheets:

AC	- Aircraft	SC	- Spacecraft
AV	- Armoured Vehicle	CC	- Close Combat
CH	- Character	FF	- Firefight
INF	- Infantry	BP	- Barrage Points
IV	- Light Vehicle	+1A	- +1 Extra Attack

AC	- Aircraft	FxF	- Fixed Forward Arc
AV	- Armoured Vehicle	FwA	- Forward Fire Arc
CH	- Character	RRA	- Rear Fire Arc
INF	- Infantry	Ind	- Indirect Fire
IV	- Light Vehicle	MW	- Macro-weapons

Slw	- Slow-firing
TK	- Titan Killer
DC	- Damage Capacity
Crit	- Critical Damage
Sh	- Shields

FERAL ORKS REFERENCE SHEET
