WORLD WIDE WRESTLING SEASON TWO: THE ICONOCLAST

MOVES

FINISHING MOVE:

When you're booked to win a match, roll 2d6. On a 10+, you hit your Finisher clean. Choose whether you or your opponent gains +1 Audience. On a 7-9, they make you work for it. Choose: gain +1 Heat with them as your killer instinct takes over; or you make them look mighty in defeat and they get +2 Momentum. On a Botch, choose: you look like an amateur and lose -1 Audience or you take things too far and injure your opponent.

CALL DOWN THE THUNDER: When you CUT A PROMO on a wrestler with an Advanced Role, ROLL +REAL instead of +LOOK. In addition to the Promo result: on a 7+ Creative must book you in a match with that wrestler (or you add a stipulation, if a match is already booked). On a Botch, lose -1 Audience as the crowd doesn't buy that you're a real threat.

and pick 1

□ IN THE CROSS-HAIRS: When you wrestle someone with a Basic Role who's earned your ire, ROLL +HEAT to mark them for destruction. Treat them like they have an Advanced Role for this Episode and on a 10+ you pick 1; on a 7-9 they pick 1: gain +1 Heat with each other, you both gain +2 Momentum, they win this match. On a Botch, lose -1 Heat with them.

□ ILIKE TO HURT OLD PEOPLE: When you attack a wrestler with an Advanced Role, spend 2 Momentum to injure them outright. If you do this, they can do the same to you. If this is their last Injury box, or you otherwise retire them in this manner, you lose -1 Audience. Too real!

When you get injured, check an Injury Box. Whenever you lose a match due to your injury, lose -1 Heat with your opponent. When you push through your injury to win a match, gain +1 Heat with your opponent after the match.

=AUDIENCE=

Work the Audience, Champions Advantage The Iconoclast starts and resets to Audience +1

+4

Mark an Advance. At the beginning of the Episode, make the **OVER** Move.

» TOP SPOT: When you hit +4 Audience, everyone else at +4 drops to +3. Mark an Advance the first time you hit +4 or 0 in an Episode.

0		Mark an Advance. At the end of the Episode, you're fired.			
+1		Start the Episode with +1 Momentum.			
+2		Start the Episode with +1 Momentum.			
+3		Start the Episode with +2 Momentum.

APEX PREDATOR: You were born to do this, and everyone knows it. Take **+1 WORK** (Max +3).

□ PACK LEADER: Your natural charisma attracts and inspires others to join your cause. When you take action to get someone on your side, ROLL +LOOK. On a 10+ gain +1 Heat with them and pick one; on a 7-9 just pick one: book the finish of a match they're in, they join you as an enforcer, they come to your aid in a critical moment (which could be right now!). On a Botch, they're not impressed, and they pick one: they beat you down, you lose -1 Heat with them, you face disciplinary action backstage.

WORLD WIDE WRESTLING SEASON TWO: THE TIME BOMB

FINISHING MOVE:

When you're booked to win a match, roll 2d6. On a 10+, you hit your finisher clean just like the good old days! Gain +1 Audience. On a 7-9, you barely pull it off. Choose: it's clear that you're not the wrestler you used to be and you lose -1 Heat with your opponent; or you (mercifully) win by DQ or countout and lose all Momentum. On a Botch it's an absolute disaster! You still get the win but you lose -1 Audience, *and* choose whether you or your opponent takes an injury.

ASS THE TORCH: You decide when it's time to hang up your boots. At the top of an Episode, you can book a retirement match with any opponent of your choice. When your opponent wins, they gain +2 Audience. If the booking is swerved such that they don't win, the feud continues until your opponent wins a match over you. Once retired, create a new wrestler or take over an NPW wrestler for the remainder of the Season.

and pick 1

□ THE PHENOM: When you would take an injury, ROLL +REAL. On a 10+ you disregard this injury and take control of the match (if you're in one). On a 7-9 you manage to power through, but it hurts; you don't mark an injury, but remove one unmarked injury box at the end of the Episode. On a Botch, take the injury as normal and the match (if you're in one) ends immediately in a no contest.

□ A LEGEND IN THIS BUSINESS: You do not lose Heat for not interacting with a wrestler in an Episode.

When you get injured, check an Injury box. You cannot remove checks under any circumstance. When you start a match injured, gain Momentum equal to the number of checks you have.

=AUDIENCE=

Work the Audience, Champions Advantage The Time Bomb starts and resets to Audience +2

BEST THERE WAS: When you **CUT A PROMO** in a way that recalls your glory days, ROLL +**R**EAL instead of +**L**OOK. If you Botch, the audience is tired of your faded glory and you cannot use this Move for the rest of the Episode.

□ KEEP ME PROTECTED: You have creative control over your booking. When you want to change how a match is going, spend 2 Momentum to rebook it on the fly. Anyone who sticks with the original booking has to BREAK KAYFABE to do so.

When all of your injury boxes are checked you're dragged out on a stretcher and your career (and maybe your life) is over.

= ADVANCEMENT =

WORLD WIDE WRESTLING SEASON TWO: THE FOREIGNER

=FOREIGNER MOVES=

FINISHING MOVE:

When you're booked to win a match, roll 2d6: On a 10+, you hit your finisher strong, just as your ancestors did. You gain +1 Audience. On a 7-9, it ain't so easy. Choose: they mock you and you take a liberty, gain +1 Heat with them; or you injure them in your rage. On a Botch, pick one: it's sloppy, lose -1 Audience and win the match; or you mess up and they sense weakness, you lose the match clean (this overrides Creative's booking).

if you're a Babyface ______ **LAND OF THE BRAVE**: You endearingly misunderstand basic things about this country. Gain +1 Momentum the first time you do it in an Episode. In addition, when doing so, you can bump your **WORK THE AUDIENCE** result by one tier (botch to 7-9, 7-9 to 10+) once per Episode. _______ and pick 1

STRONG LIKE BULL OX: You have the legendary strength of your people. Take +1 **Power** (max +3).

NEVER SEEN ANYTHING LIKE'EM!: When you appear in a pre-taped segment, explain how you're being carefully presented (and protected). **ROLL +WORK** or **+POWER** when you **CUT A PROMO** during the segment.

BRAVE BOYS IN UNIFORM: You can add belligerants from your native land to any match as a match stipulation. When you do so, start the match with +2 Momentum.

if you're a Heel

□ SUPERIORITY COMPLEX: You treat this countries language and customs with derison. Start with (or gain) a manager or aide. You're only willing to CUT A PROMO with them at your side. The HEEL Move only costs you 1 Momentum if you're destroying something representing this country.

□ WORLD CITIZEN: You are legitimately from your characters homeland and bring real details in your portrayal. Take +1 REAL (Max +3). You cannot also take THIS ISN'T ME!

□ THIS ISN'T MEI: When you call out your own gimmick as racist, ROLL +REAL. On a 10+, gain +2 Momentum and you may immediately change Gimmick or Role. On a 7-9, make the change, but you're booked in a punitive match, RIGHT NOW! On a Botch, the crowd is confused and agitated by your announcement. Lose -1 Audience.

WORLD WIDE WRESTLING SEASON TWO: THE BOSS

MOVES

🔏 MAKE A MATCH:

You don't work matches, you make 'em. When you make a match, roll 2d6. On a 10+ you book the finish and pick 1 from the 7-9 list; on a 7-9, Creative books the finish and you pick 1: gain +1 Heat with one of the participants; gain +2 Momentum; one of the participants gains +2 Momentum; you'll be at ringside for the match. If at least one competitor in a match you book gains +1 Audience, you gain +1 Audience. On a Botch, Creative books the finish and you lose -1 Audience as the crowd gets bored with your presence, regardless of what you're putting together for them.

and pick 2

■ HOLD THE AUTHORITY: When you dress someone down, punish them or exercise your authority over them, ROLL +LOOK. On a 10+, gain +1 Heat with each other and pick 1; on a 7-9, pick 1: add a stipulation to an upcoming match they're in; add them to an announced match; gain +2 Momentum. On a Botch, it backfires and they choose 1 to advantage themselves from the 7-9 list.

□ I SIGN THE CHECKS: You're the boss backstage as well as on camera. Spend 2 Momentum when you threaten, cajole or manipulate someone into doing what you want, and they pick 1: they do what you want; they get booked out of their hottest feud; they get booked into a punitive match. If they choose to get booked, you fill out the details.

When you get injured, check an Injury box. Gain +1 Heat with whoever injured you. While injured, you cannot get into the ring under any circumstances.

□ YOU'RE FIIIIIRED: When you fire someone on camera, ROLL +REAL. On a 10+, choose whether you or they gain +1 Audience and you book their inevitable return; on a 7-9, gain +1 Heat with each other and Creative books how they get back on camera. On a Botch, everyone knows this has no teeth. They don't leave and you both lose -1 Audience.

RAISED IN THE BUSINESS: You come from a well-known wrestling family. Take +1 REAL (Max +3).
