

OWbN Brujah Genre Packet

Last revised: 9/30/2008

Statement from the Coordinator

This packet contains only the binding mechanics that will allow the Brujah Coordinator to assist in maintaining genre throughout OWbN. For a role play resource, please reference the OWbN Brujah Resource Guide.

Regulations

All grandfathered PCs must be logged with the Brujah Coordinator.

Brujah Lore

Note: True Brujah Lore is considered in-clan only for True Brujah, but Brujah Lore is considered in-clan for both True Brujah and Brujah

Out of Clan:

Brujah Lore above x3 requires Brujah Coordinator Approval

Any True Brujah Lore requires Brujah Coordinator Approval

In Clan:

Brujah Lore/True Brujah Lore x4 must be logged with the Brujah Coordinator

Brujah Lore/True Brujah Lore x5 requires Brujah Coordinator Approval

Clan Friendship: Brujah

Due to the fractious nature of the Brujah, it is difficult for an individual to garner friendship with the entire clan. Because of this, the Clan Friendship merit for Clan Brujah in One World by Night may be ignored by individual Brujah who do not agree with it.

Brujah Combination Disciplines

Brujah combo disciplines may only be taught by a Brujah. Non-Brujah with a Brujah combo must be logged with the Brujah Coordinator.

Dark Ages Brujah combo disciplines may only be taught by Brujah NPCs from the appropriate era, and must be logged with the Brujah Coordinator. PCs learning a Dark Ages combo require Brujah Coordinator Approval.
