Greetings, Fellow Adventurers!
comments from Guildmaster Brett

The big news this month for everybody is the latest Adventurers' Guild contest:

HOW MUCH CHARACTER DOES YOUR CHARACTER HAVE?

Everybody wins! There's a FREE component pouch/dice bag and a FREE 1 Year AG Membership to EVERYBODY who enters!

What do you do? Well, in so many words, we want to know about YOUR favorite character. We'll pick two that we like and we'll randomly draw two more. **FOUR WINNERS!**

What do the four winners get? For starters, they get the free gifts. But that's definitely not it! Each wins a **FULL SIZE, FULL COLOR PORTRAIT** of their character professionally done by Bjornson! And that's not all! Get this: The four winning characters will be drawn in a battle scene on the cover of the next GRIFFON Magazine and AG Crier along with proper credit given to the owner of the character! Just think, your character will be famous all over the U.S., Canada, and even Europe!

You have nothing to lose and everything to gain by entering!

Whew! I'd better get onto other items of note before I run out of space...

The Adventurers' Guild Hotline is now open! This is for phone orders and questions. Through the magic of COD, we can get your orders out far quicker than before! COD (Cash On Delivery) isn't complicated; you simply pay the postman when he delivers your package.

Here's a big item: Our new **QUICKNESS GUARANTEE...** that's right... **GUARANTEE!** We've had occasional slow deliveries in the past, but no more! If we don't get your package out to you within **TWO WEEKS** from when you order, it's **FREE!** We'll send your refund right along with any late delivery! We're dead serious, folks. Now, of course, the "small print". The time is postdate to postdate, or phone-in date. Not applicable to foreign orders, 3-4 weeks for orders from Canada, Alaska, and Hawaii. 3-4 weeks for costume and armor types over \$100.

Would you like to either form or join an AG Chapter in your area? It's an excellent opportunity to band together with other adventurers to increase your involvement and role-playing excitement! In this issue of the Crier, you'll see the current AG chapters (you may want to get in touch with one) and you'll also see a complete AG Chapter Info and Application Sheet on the back of the Order Form/Contest Entry.

Speaking of AG chapters, Chapter 9, Wolverine Legion Patrol, is running a Swordtag tournament, Brett's Bountiful Bounty Hunt, in Newburyport, MA, Feb 17-19, 1990. It will be a bounty hunt with experimental portable castle. This will be the biggest Swordtag gathering to date and is being run by the adept Chaptermaster James Doyle, who will serve as head Tagmaster. For info write or call James, James Doyle, 46 Lincoln St, New Britain, CT 06052, Ph: 203-827-9779.

AGSystem!

AGSystem Update

It's been some time in the making, but we'll think you'll think it's worth the wait. It's the new Role-Playing System from The Adventurers' Guild, AGSystem! Very shortly, semi-final copies will be sent out to playtesters for their scrutiny. Thereafter, the Player and GM Rulebook of the AGSystem will be released at a price of around \$8.95. Incidentally, we are looking for a few more playtesting groups so let me know very soon if you'd like to volunteer- all groups get a free copy when released.

The AGSystem is skill-based, has realistic but simple combat, a new priest/religion and magic system and unbelievably smooth and realistic attribute saves.

The AGSystem promotes interesting and fun roleplaying by giving characters real personality and individuality. Combat is more than just chance- smart players are rewarded for clever tactics. And characters FEEL wounds in this system!

The first book, AGSystem Rulebook, includes complete rules for Character Creation, Races, Backgrounds, Use of Huge Skill Lists, Attribute Saves, Equipment, Priests/Religions, Magic, Comprehensive Combat, Experience, How To GM, and every other rule needed. Also included is the AGSystem Bestiary, Vol 1; Tables for the GM screen; all types of character and monster sheets and cards; 100's of NPC's and groups ready to use; Simple Conversion Tables to use monsters from other systems; and everything else needed to play the best FRP System for you!

Future volumes will include a 2nd Edition AG Tome for AGS with 1000's of names, weapons, NPC's and groups, and more. AGSystem Priests and Mages will detail religions, saints, gods, magic, alchemy, and magical devices. There will be the AGSystem Bestiary, Vol 2 and many AGSystem Adventure Modules. And last, but not least, GRIFFON Magazine will carry regular AGSystem Features!

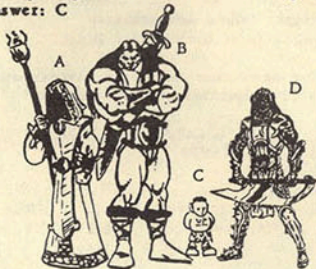

And now, my friends, I would like to offer you an advance sale offer to take advantage of!

ORDER THE AGSYSTEM RULEBOOK IN ADVANCE FOR ONLY \$5.95 (IC 106)

You'll get it hot off the presses!

AG CHAPTER INFORMATION AND APPLICATION

Are you interested in starting a chapter of the Adventurers' Guild in your area? We are always excited about adding a chapter of enthusiastic role-players to our membership. As a chapter, you get great AG benefits and the comradeship in knowing that you're apart of the guild for real adventurers!

Your Chapter's Benefits...

Your members are full members of the Adventurers' Guild and receive all due benefits. Also, unlike other members, your chaptermembers can band together at anytime and get 20% off (instead of 10%) of a \$100 purchase or more. We, of course, must be able to ship the order to one location.

Your chapter will get recognition in the AG Crier and/or GRIFFON Magazine and news of your chapter's doings will be reported whenever you submit it.

We form chapters most of all to have fun! In the future, when there are enough chapters, we are going to conduct a sort of Play-by-Mail game between chapters. It will be free and there will be prizes!

Benefits of Being Chaptermaster...

You become Chaptermaster (ranking close to Assistant Guildmaster!). You get a monthly 5% commission of all your chaptermembers' purchases. You always get a 15% discount instead of the normal member's 10%. There are no "official" duties to perform- you can put as much or as little time into it as you wish.

Later on, you may wish to become Guildmaster of a Realm. This if you get 20 or more members in your chapter. The Guildmaster of a Realm gets a 10% monthly commission of his/her members' purchases. As you can see, that could add up for you very quickly, and all you did was get members!

How Do You Get Started?

It's easy! As soon as you get just three members, send in the application and you'll have a chapter! Anytime you have new members, just send their names, addresses, and membership dues, and we'll sign them up. After applying, you'll get a chapter number. Be sure you and all your members indicate this number whenever sending anything (orders, etc.) to us, as this helps us keep track.
