Greetings, Fellow Adventurers!
comments from Guildmaster Brett

I've got a lot to tell everybody this issue, so without further ado, let's get to it!

THE ADVENTURERS' GUILD IS GOING ON A QUEST... TO YOUR HOME!

It's true! Guildmaster Brett and his assistants (in costume even!) will deliver the goods to you personally if you win this issue's contest! Check out the details on our greatest ever contest!

NOTE TO OUR NEW CUSTOMERS

If you are reading The AG Crier for the first time, then an introduction is in order: We are The Adventurers' Guild and we serve the customer! We focus on quick service and easy ordering. As long as you live in the US, most orders are guaranteed for 2 week delivery. And you pay only the price of the item! There are no misleading "shipping and handling" charges, which often cause you to pay up to twice the given cost of the item. So give Swordtag a try, give our innovative FRP a try; You will like the difference!

OVER 100 NEW ITEMS THIS ISSUE!!!

That's right! Over 100! We search high and low, and we listen to everyone's ideas, to find and create new, useful, and unique Swordtag items. All of the new releases are marked throughout. Here's some... High Wizard's Robe, Vampire's Costume, New Low Priced Economy Robes, Studded Leather Armor, three new Haubirks, new types of Plastic Plate Armor, Helmets, 18 new Swordtag Weapons including the Bow and Crossbow, 50 new Swordtag accessories including Beards, Wigs, Wands, Mysterious New Magic, Showy Jewelry, Priest's Accessories... and much much more!

MANY NEW LOWER PRICES!

You'll gladly notice that many of our regular items' prices have been lowered... some up to 50%. This is due in part to our locating fabric manufacturers willing work with us in supplying lower priced costumes with the same AG quality as always.

NEW MEMBERSHIP SYSTEM

We will be switching over to a new membership system. Here's how it works: You will always know where you stand. Notice the "ME" followed by a number on your mailing label. This is the last issue of the Crier you will receive without renewing. "ME" stands for membership expiration.

Here's how you renew or become a member: Anyone who sends and asks for a Crier becomes a 3 issue member. Thereafter, you can renew the usual way (i.e. 6, 12 or 18 issue memberships). Additionally, any order will get you a 3 issue extension. Either way, or both, you can easily stay a member and keep receiving your Criers for as long as you like.

IF YOU FIND AN ERROR IN THE AMOUNT OF ISSUES

Switching over to this system may throw in a few kinks that need to be worked out (especially with our crazy computer!), so if you think your expiration issue is wrong, then just let me know and I'll take care of it. You can give me a call or drop a note.

WINNERS OF THE CHARACTER CONTEST!

On the cover of this issue we have the winners of the "How Much Character Does Your Character Have?" contest. From left to right we see the wizard Borric (Quenton R. Dodd), the druid Klazhuur Coldwood (Brian D. Smith), the cantorian scout Quicksilver (Jordan Peacock), and the elven woodsman Sharek Quickblade (Jon McDonald). As these four intrepid adventurers wend their way through the shadowy realms of Hades (don't ask me what brought them here!), the owners are each receiving a full-color, full-size portrait of their character!

FREE SWORDTAG GAMEBOOKS TO THE FIRST 150 RESPONDERS TO THIS ISSUE!

That's right, a \$4.50 value, the AG Swordtag Gamebook, which has been declared... "THE fantasy game for the 90's"... is yours FREE when you place as little as a \$10.00 order! Don't wait too long... these gems will not last!

ALWAYS REMEMBER!!

Quickness Guaranteed! 2 Week Delivery from Postdate for most orders! ...Even quicker response through Phone Orders! Call The Adventurers' Guild at 515-752-4387 ...We are always looking to form new AG Chapters (see the back of the Order Form for info) ...We are always looking for new AG Members (just look at the benefits!) ...And, as always it has been and it always will be, don't forget our Satisfaction or Money Back Guarantee!

Swordtaggers:

SUBSCRIBE TO GRIFFON MAGAZINE! Actually, GRIFFON isn't a magazine as most folks think of magazines. Each issue is a complete reference work for players of all FRP games (such as AD&D - reg trademark of TSR, Inc.) and especially for the dedicated Swordtagger! There are very (VERY!) few advertisements, no filler material, and no SF material (not that there is anything wrong with SF, but we concentrate on only one thing- Fantasy!).

Every issue of GRIFFON is chock full of adventure, new monsters and magic, and supplement material for the thinking GM! And, starting with issue #6, GRIFFON dedicates over 40% of each issue to the **SWORDTAG** Section!

There is valuable Swordtag information in every issue as well as an AD&D compatible adventure in most issues. ONE DOES NOT BELONG TO THE ADVENTURERS' GUILD...

Can you guess which one it might be?
Answer: C

Join Us!

The Adventurers' Guild is not for everyone, but it is for those explorers, magi, rogues and shining knights who wish to be counted among the boldest of their kind! If you're not a member, why not become one? You may have sent for The Crier; if so, you are now a 3 Issue Member! The "ME" on the mailing label tells you what your last issue of The Crier will be. You can indefinitely extend your membership by placing orders (each order gets you a 3 issue extension!), and/or you can take advantage of our 6, 12, or 18 Issue Memberships! The Crier comes out about 3-4 times per year, so your membership will last! Either way, or both, you become an important part of The Adventurers' Guild!

AG CHAPTER INFORMATION AND APPLICATION

Are you interested in starting a chapter of the Adventurers' Guild in your area? We are always excited about adding a chapter of enthusiastic role-players to our membership. As a chapter, you get great AG benefits and the comradeship in knowing that you're apart of the guild for real adventurers!

Your Chapter's Benefits...

Your members are full members of the Adventurers' Guild and receive all due benefits. Also, unlike other members, your chaptermembers can band together at anytime and get 20% off (instead of 10%) of a \$100 purchase or more. We, of course, must be able to ship the order to one location.

Your chapter will get recognition in the AG Crier and/or GRIFFON Magazine and news of your chapter's doings will be reported whenever you submit it.

We form chapters most of all to have fun! In the future, when there are enough chapters, we are going to conduct a sort of Play-by-Mail game between chapters. It will be free and there will be prizes!

Benefits of Being Chaptermaster...

You become Chaptermaster (ranking close to Assistant Guildmaster!). You get a monthly 5% commission of all your chaptermembers' purchases. You always get a 15% discount instead of the normal member's 10%. There are no "official" duties to perform- you can put as much or as little time into it as you wish.

Later on, you may wish to become Guildmaster of a Realm. This if you get 20 or more members in your chapter. The Guildmaster of a Realm gets a 10% monthly commission of his/her members' purchases. As you can see, that could add up for you very quickly, and all you did was get members!

How Do You Get Started?

It's easy! As soon as you get just three members, send in the application and you'll have a chapter! Anytime you have new members, just send their names, addresses, and membership dues, and we'll sign them up. After applying, you'll get a chapter number. Be sure you and all your members indicate this number whenever sending anything (orders, etc.) to us, as this helps us keep track.
